Exploring the Trinity

'The grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you

St Patrick used a shamrock to illustrate the Holy Trinity—'Father, Son, Spirit'; you can make a Trinity illustration with three circles.

'Draw round a plate'

Overlap the circles so that they are joined...

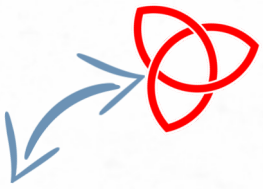

Rub out where the lines meet so that it looks like one goes over the other

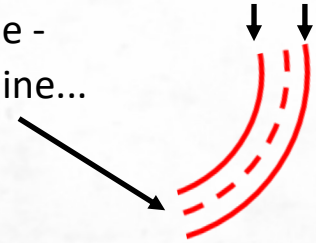

Do this in all the places lines meet - take care to keep the 'under-over' pattern.

The middle part of the three circles makes a special shape. It is easy to make if you draw two lines alongside your first line - then rub out the first line...

Now you have a Trinity symbol which goes on for ever - truly a symbol of 3-in-1...
