School Values Prayer

Lily: Dear Lord we ask that you help us to maintain our focus in our learning opportunities

Cora: Please help us if we feel anxious when faced with new challenges, to embrace new things

Isla: and to enjoy the opportunities we have in school and to not take them for granted.

Ellie: Help us to be grateful for our friends and to show them how grateful we are that they are there for us and that they care for us

Lydia: Help us to support the new members of our school as they settle in to school life and give

them courage to make new friends.

In Jesus' name we pray.

Amen
