Prayer

Thank you, Sorry, Please

We may like to pray at lots of different times in the day and we are surrounded by many things which can help us to pray.

Even something as ordinary as a teaspoon!!

In a recipe book, you will see the word teaspoon shortened to 3 letters: ***tsp***

This can remind us of 3 important things to say in our prayers:

Thank you; Sorry; Please.

SORRY: We all make mistakes and do things we shouldn't—or don't do things we ought to do! Could you say sorry?

PLEASE: What would you like to ask God for? This doesn't have to be for yourself, but it could be!

THANK YOU: Think of some of the things you are grateful for: friends, family, pets, toys—and say thank you!

These three thoughts make up your teaspoon prayer!
