Ellie: Dear Lord,

Please help us to keep our environment safe and to keep our school clean and tidy. Guide us to be kind like the good Samaritan as we care for our neighbours.

Isla: We promise to be respectful in our friendships, when to listening to others and that you helps us to show mercy when someone is being hurtful, just as you are merciful to us.

Lydia: Help us as prayers leaders to be examples of friendships that include everyone, of forgiveness when someone is unkind to us and to be trustworthy and smiley.

Cora: Give us courage to be kind when others aren't, to be helpful even it is challenging, to love everyone even when we don't agree with them and reflect on how our behaviour affects other people.

Lilly: May we be compassionate and caring of others, no matter how different they are to us.

By the Grace of God we ask this in Jesus' name

Amen
